ADMINISTRATIVE FEE: Platinum Party Planners charges a (22%) Administrative Fee on the event subtotal, including, but not limited to, food, beverages, staffing, rentals and equipment. **This fee is not a gratuity**. The Administrative Fee helps offset the administrative, operational, logistical, and production-related expenses associated with the planning, preparation, execution, and post-event responsibilities of a full-service off-premises catered event. These expenses include, but are not limited to, front-of-house administrative and event management personnel, event documentation, production planning, logistical coordination, and a one-time onsite venue inspection and walkthrough. The fee also covers back-of-house operations, including purchasing, inventory management, equipment preparation, packing, staging, loading, transportation, and the coordination and management of Platinum Party Planners' catering-related rental orders, deliveries, and pickups. Additionally, the fee covers post-event operations, including truck unloading, equipment cleaning and sanitization, inventory restocking, repacking, and storage. These responsibilities often extend into the following day and require additional labor and operational resources. The fee further accounts for transportation expenses, truck rentals, fuel, equipment handling, general wear and tear, incidental equipment breakage, general liability and liquor liability insurance, and other necessary business operating expenses. Any additions to the contracted event subtotal are subject to the 22% Administrative Fee.

BAR AND BEVERAGE SERVICE: We also offer our premium bar package for all our off-premises full-service events. **ONE DAY LIQUOR LICENSE** acquired by Platinum Party Planners.
